

HOOK 1/2

### Technical specifications

Fastening:	Equipped with a safety pin for quick and secure mounting
Material:	40Cr Alloy Steel
Finish:	Zinc-plated/Galvanized
Min. Breaking Strength (MBS):	15 T
Working Load Limit (WLL):	6.8 t – 13 t (approx. 15,000 lbs – 30,000 lbs)
Features:	High corrosion resistance
